Title:

"Spider Gates"

Photo Description:

This was a photograph I shot during a visit to spider gates in 2002
for a magazine feature I did on Spider Gates. CyrilMagazine edition May 2002.

<http://www.cyrilmagazine.com/may2002/paralayla1.html>

I have reworked this shot into a solarized black and white print that delivers maximum
spooky effect. Spider Gates is a very haunted old Quaker cemetery in Leicester Ma.
much has happened there and is said to happen there. Tales of werewolves, hangings,
entrance ways to hell, and white beasts that follow all who visit.

An inscription on one of the stones best describes this place,
"Not one returns to tell us of the road which to discover we must travel too"
Just google "Spider Gates" and you will be amazed.
